PANTRY: We would like to thank everyone for the support they provide for the Church pantry. We have provided food to several families during the months of April, May, and June. Our first goal is to provide food to those who are hungry. We also want to build a rapport with them and have them attend Church. We provide a small Bible to each family, encourage them to attend services, provide service times, and offer Bible studies. We also continue to improve as we learn with our pantry.
