An Ode to the Dislocated

By Dalton Key

I looked around our Bible class last Sunday, and 'tis true;
Familiar faces greeted me, but I couldn't locate you.
And Sunday night, it was the same – it made me feel so blue,
Though heartened by the ones who came, I couldn't locate you.
Then Wednesday evening brought us back, the usual mid-week crew;
I searched and hoped and searched some more, but couldn't locate you.
It seems so often when we meet and find our favorite pew
That something's missing; something's wrong – we just can't locate you.
You're missed, you know! We want you back! You need to be here, too.
We'd hate to search through heaven and be unable to locate you.

For our young people,

My favorite song that we sang today: _____

Today I am thankful for _____

Prayer requests: _____

My favorite verse from the sermon: _____
