ONE PAIR OF HANDS

One pair of hands formed the mountains
 One pair of hands formed the sea
 One pair of hands made the sun and the moon
 Every bird, every flower, every tree

 One pair of hands formed the valleys
 The ocean, the rivers and the sand
 Those hands are so strong, so when life goes wrong
 Put your faith in the one pair of hands

 One pair of hands, healed the sick
 One pair of hands raised the dead
 One pair of hands calmed the ragging storm
 And thousands of people were fed

 One pair of hands said I love you
 And those hands were nailed to a tree
 Those hands are so strong, so when life goes wrong
 Put your faith into one pair of hands

 Those hands are so strong, so when life goes wrong
 Put your faith into one pair of hands
 Put your faith into one pair of hands
 One pair of hands

OUR SYMPATHY: One of our former members, Rosemary Warmack, passed away early Friday morning. Please pray for Bob as he mourns the loss of his wife. Cards can be sent to Bob Warmack, 7981 Driftwood Dr., Florence, KY 41042.

CHILDREN'S HOME TRUCK: Even with all the COVID excitement, let's not forget to bring supplies for the Children's Home. Their truck will be here next Monday on June 15th to pick up our donations. The table looked pretty empty when this edition of the bulletin was printed.

BULLETIN NEWS: If you have any news or information you'd like to put in the bulletin, please send them to Karen at Karen.s.tanner@gmail.com or churchoffice@capechurchofchrist.org or place a note in the tray in the church library.

SONGLEADERS: A request has been made that the title of the song, along with the number, be announced when you lead singing. This helps those who are at home who don't have the same song book as the ones in our pews.

CHUCKLERS: "If you think God doesn't have a sense of humor, look at the platypus. The Bible mentions laughter over forty times. As Christians, we need to learn that laughter is an expression of joy. Our funny Christian sayings will start your day with a smile.

"I want to be so full of Christ that if a mosquito bites me, he flies away singing, "There's power in the blood.""

"God teaches us about love by giving us difficult people to deal with."

"God, help me to be the person my dog thinks I am."

"Don't give up! Moses was once a basket case!"

"God didn't create anything without purpose, but mosquitoes come close!"

"Adam blamed Eve, Eve blamed the serpent, and the serpent didn't have a leg to stand on."
