**DEVELOPING LAUGH LINES**

***HOW TO KILL YOUR ELDER***

An elder was asked to inform a man with a heart condition that he had just inherited a million dollars. Everyone was afraid the shock would cause a heart attack and the man would die.

The minister went to the man's house and said, "Joe, what would you do if you inherited a million dollars?"

Joe responded, "Well, I think I would give half of it to the church."

And the elder fell over dead.

***OUCH!***

"I'll give till it hurts," said a member of the church to his elders, "but you need to know I'm terribly sensitive to pain."

***COUGH IT UP***

Mother: "Quick, Henry, call the doctor. Johnny just swallowed a nickel."

Father: "I think we ought to send for the minister. He can get money out of anybody."
