**DEVELOPING LAUGH LINES**

It was the day after Christmas at a downtown church in San Francisco. The minister was out in front looking over the manger scene set up on the front lawn when he noticed the Christ child figure was missing. Right on cue he turned to see a little boy with a red wagon coming down the street and in the wagon was the figure of the infant Jesus. So, the minister walked up to the boy and asked, “Well, young man, where did you pick up your passenger?”

“I got Him here, from the church,” the boy replied.

“And why did you take him?” asked the minister.

The little boy replied, “Well, about a week before Christmas I prayed to the little Lord Jesus and I told Him if He would bring me a red wagon for Christmas, I would give Him a ride around the block in it.”
